I request the Unadilla Township Police Department to conduct periodic security checks of my premises during my absence. I understand that this is an additional public service of the Unadilla Township Police Department and the security check of my premises is not the sole responsibility of the on-duty officers during their patrol assignments. I further understand that situations may arise which could detain or prevent a security check, and that the Unadilla Township Police Department cannot guarantee there will be no problems on the premises.
